St Pinnock WI

Meet every 2nd Tuesday in the month at St Pinnoc Band and Community Hall from 2—4

BT Openreach were supposed to start pulling in the new cable on 30th July but some problems have been discovered. As I understand it, some further work is required before the cable can be pulled into the duct and brought into use

1. At the point where we had the site meeting the new duct has not been laid to the correct place.
2. Further up the road more work is required at the Stone Cross – BT are trying to determine who owns this land as they will require access over the hedge from the road.
3. Now that the crops are in the fields there seems to be uncertainty about access and what the already paid compensation means in terms of access required BT Openreach have promised to report back as soon as they have resolved the above

Ram Roast/Duck Race
Thank you to everyone who helped or participated in some way to make our event an astounding success. We raised the grand total of £990.15

The winning ducks were

1. Malcolm Tiller
 2. Carole Budge
 3. Chelsea Budge
- Last A Bishop

Coffee Mornings

Thank you to Eileen & Rodney for hosting our coffee morning in July. At short notice. Everyone enjoyed it and 13 people attended.

Are there any volunteers to hold a coffee morning this month?

Village Fete

The village fete this year will be held on the 12th August at 2pm and opened by Councillor Bernie Ellis.

Please come along and support our annual fund raiser for the upkeep of the church. We have not got many members but we have lots of friends who like us want to see our church kept open.

Any help would be appreciated, such as Raffle Prizes contributions to books, toys, cakes, bottle and bric-a-brac stalls.

Thank you
