July Coffee Morning – Held at The Barn Killigorrnick – where we had the chance to sample Killigorrnick's new range of ice cream and to taste delicious French crepes made especially for us by Janice's French Students. With crunchy meringues and cakes galore most of us left with full tummies! It was a splendid turnout - a big thank you to Janice and Chris for their hospitality. We collected £9.70 for the Social Fund.

Wednesday Night Quiz Nights – Held at The Retreat (Deerpark Café and Shop) from 7.30 to 10.00pm. Bring friends/family/neighbours – make up a team and enjoy the FUN! Adults £1 - children FREE. Prize for the winning team - complimentary nibbles! Quiz is for CHARITY – providing holidays for disadvantaged children.

August Coffee Morning – Will be held at Minehouse Farm on Thursday 11th August at 11.30am by invitation from Frances and Richard – all are very welcome.

NHW Information – There was an attempted break-in through a cat flap in the village recently. The Footprint has been asked to remind you all to PLEASE be very vigilant with locking doors, securing bolts and not leaving keys in reach of cat flaps, letter boxes etc. Money and vegetables were taken from a roadside stall in Herodsfoot – we would remind you all TO BE VERY AWARE and SECURITY CONSCIOUS at all times. Anything suspicious should be reported to Looe police station 0845 277 74444 or in an emergency 999.

Mobile Phones and Land Lines – Your comments to Sheryll Murray MP at the Duck Race will add weight to the campaign run by The Footprint since May for better phone/internet connections for Herodsfoot – we await developments with interest!!

WI Talk on North Herodsfoot Mine – Following the successful talk by Richard Humphrey to the St Pinnock WI held at East Taphouse recently, (this included a visit from famous local author and Cornish Mining Expert Joff Bullen from Camborne); it was decided to incorporate a walk around the mine site. North Herodsfoot Mine is the subject of considerable local and national interest from Historical/Geological Groups. The mine is currently undergoing extensive restoration and research.
