**Coffee morning February** – A really well attended coffee morning – our thanks to Lindsey and Bill for their hospitality and especially for the delicious 'brownies' and cakes. A collection was made for Marie Curie Cancer Care.

A request was made at the coffee morning for a winged armchair to enable an elderly resident to 'have a nap', without falling out. Please note that a suitable chair has been found. (Thank you Bill).

### **Brenda Margaret Ingram 1934-2012**

- A very well travelled couple, Brenda and Barry came to the village of Herodsfoot in May 1982.

Brenda bid successfully at Auction for Millpool Head and Millcombe Farm with its derelict barns and buildings. The two properties stand today as a testament to their hard work over the years. Sheep were kept on the farm in the early years, and in 1994 - 8,000 hardwood trees were planted.

Brenda and Barry had already celebrated their Golden Wedding Anniversary and were well on the way to their Diamond! Deteriorating health over the past few years meant her social outings were severely curtailed, but a look into the Newsletter Archives shows you just how active both Brenda and Barry were in the social life of the village of Herodsfoot.

Brenda will be sadly missed, not only by her immediate family, including 7 grandchildren and 1 great grandchild, plus a 'bump' on the way, but by all who knew her.

A collection was made at the February coffee morning for Marie Curie Cancer Care and this, together with several anonymous donations totalling £80 had been forwarded to the Organisation by Barry.

Through The Footprint Barry would like to thank you all for your generosity and for your condolences on the sad loss of his beloved wife Brenda.

**Sponsors needed please** – Juliet of Florence Cottage - is running the Bath half marathon on March 11th for the British Lung Foundation. If anyone would like to sponsor her she has a sponsorship page at [www.justgiving.com/Juliet-Eastley](http://www.justgiving.com/Juliet-Eastley). Alternatively please see Juliet and fill in her sponsor form! **Good Luck Juliet** – Please give her your support for this worth while cause.

**Mud on the road between Deerpark and Herodshead** – We have received a number of complaints regarding the above, mostly from concerned local residents. We have managed to trace the owner – he was most apologetic and will speak to the contractor. They are also planning some remedial works to improve the situation. If you hear of any further complaints – or the situation deteriorates again – please let Neil (NHW) know on – 01579 321708 - 07850 519905 – Thank you Neil.

**Odds and Ends** – Thank you to Trixie for having the pot holes filled in on the Church Hill Road – it is much appreciated. The enquiries on the road safety issue at the Church Hill junction are on-going, as is the need for an acceptable Mobile Phone signal and improved Broadband speeds. An email has been forwarded to Rachel Beadle (PS to Sheryll Murray); just to remind her we are still here!

**Village Signpost** – The new signpost is on target for delivery and fitting this month.

**Notice to all NHW Members** - I understand the issue of some members not receiving NHW messages, was raised at the recent coffee morning. It would appear this relates to those members whom do not have access to email.

Firstly, please be assured that whilst we live in a very low crime area, in an emergency the co-Coordinator and deputies will ensure the relevant action is taken to communicate an urgent message including phone or door to door messages if appropriate, as has been the action in the past.

Secondly, whilst all messages are the important, the police messages received over the past year have generally been of a generic nature for Devon and Cornwall, rather than for our specific area.

I am grateful that the issue has been raised and arrangements are now in place to deliver

messages to those members whom do not have email.

As an added measure, I am in the process of visiting all the members in the village to ensure they are receiving messages and also handing out NHW stickers and UV pens. Unfortunately, due to work commitments it is not always possible for me to attend the coffee mornings, so please do not hesitate to contact me on 321708 or at Christmas Cottage if you do have any queries or concerns in the future.

**Finally, whilst we do live in a very low crime area, please can I remind all members to remain vigilant, especially locking doors and keeping car keys out of sight.** Thank you – Neil-Sharma Burford – phone as before.

**Last but not least** – This is the last issue of The Footprint. My thanks for your encouraging emails and contributions. £57.75 remains in the social fund account and unless I hear from you to the contrary this will be forwarded equally to Cancer Research and Cornwall Air Ambulance – receipt on the village notice board as usual. The email address – [the.footprint@yahoo.co.uk](mailto:the.footprint@yahoo.co.uk) will remain for the present time – Frances.
