Friday 29th April – to celebrate the Royal Wedding Day a party was held on the Village Green. Union Jack bunting, food and wine helped to make the celebration memorable, as did those who dressed to suit the occasion. The party went on until late in the evening, and was enjoyed by all who attended.

To respect your privacy it will not be necessary for you to fill in your mobile number, or your name. Your house or area (i.e. village centre) is important - as is your Provider so we can gather the information and produce a coloured map with good, bad and pathetic reception areas and also find out which Provider gives the best reception. This will then be forwarded to Rachel Beadle, and will form the basis for the campaign for better reception in our Village.

At the same time please check your broadband speed on: -
www.broadbandspeedchecker, so this information can also be collated.

Please fill in the form attached and return it by [Sunday 15th May](#) to -
the.footprint2010@yahoo.co.uk, or post in the red letter box at the start of the drive to Minehouse Farm.

THANK YOU FOR SUPPORTING THIS VERY IMPORTANT CAMPAIGN.

As always we appreciate your input and comments good and bad - (honest!!) - Contact us at -

[Recent disruption to BT Landline](#)

As a result of the recent loss of the BT landline, we need to campaign for a better mobile/internet connection.

It is therefore proposed to carry out a survey of our mobile phone reception in the Village on the suggestion of Rachel Beadle, Senior Secretary to Sheryll Murray our Conservative MP.

- * To see which Company (Provider) gets the best coverage
- * To find out how many of us get a signal in our homes and/or gardens
- * If you have you any objection to a mast/booster near to the village
